The screenshot shows a news article from CNBC Indonesia dated February 18, 2021. The article title is "IQ Option, Binomo, & Sederet Forex yang Disikat Bappebti". The author is identified as "dru". The article discusses the regulatory actions of Bappebti (Badan Pengawas Perdagangan Berjangka Komoditi) against several foreign exchange trading platforms, including IQ Option, Binomo, and others. It mentions that Bappebti has issued a warning to these platforms, stating that they are not licensed to operate in Indonesia. The article also notes that Bappebti has blocked access to these platforms for Indonesian users. The screenshot includes a list of popular articles on the right side of the page, such as "168 JUTAAN PROMDI MIEK" and "KLIK DISINI".
